PRICE LIST

STANDARD

Standard acrylic teeth set in standard acrylic.

Full Set £595 Single £350 Partial from £350

COSMETIC

High detail, multi-layer acrylic teeth set in high impact acrylic. Additional gum contouring and choice of cosmetic setup make this ideal for patients requiring a more natural, higher detail finish.

Full Set £895 Single £500 Partial from £500

CANDULOR PORCELAIN

Highest quality Swiss Candulor porcelain or acrylic teeth set in Hi-Base acrylic. Includes the Gum ColourTone system for the most natural and high detail finish possible.

Full Set £1395 Single £800

IVOCLAR BPS

The Ivoclar Biofunctional Prosthetic System (BPS) offers unrivalled results. Highly specialised measuring and manufacturing techniques for the best fit and function possible. Unique Ivoclar injection moulded acrylic for maximum accuracy. Very few providers can offer the BPS system due to the additional training requirements and manufacturing skill involved. SIMPLY THE BEST !!

Full Set £1995 Single £1100
